Subject: Site visits to tribes

FYI. We are thinking about potential RA events with infrastructure, but for now I wanted to flag for you that I'm planning two September multi-day tribal visits that might be of interest: one to Tohono O'odham, and one to the Coachella Valley.

TO might be of greatest interest to the RA, with potential border or even Rosemont tie-ins, and is planned for the week of 9/16 (timing that works for TO, but no set itinerary yet). In general, I'm working with Laura to coordinate tribal visits more routinely, and she has an eye to RA "keystone" visits (e.g. Navajo/Hopi, Owens Valley tribes, Klamath tribes, etc). RA is going to visit Owens July 9-10, and up to Hoopa on 7/23 (linked to an Iron Mtn visit).
